

Alternative Medication List

The medications shown below are covered on the Capital Rx Freedom formulary medication list with a 95% copay. If you are currently using one of the below medications, please ask your provider to consider prescribing one of the following preferred alternatives. Your out-of-pocket costs may be less if your prescriber prescribes a preferred alternative included on your drug list. Additional alternatives may be available. To view the complete list of covered products, please visit www.cap-rx.com. If you have any questions about your prescription benefits, please call the number on your ID card.
